

**SEASONAL TRAIL CREW:** The Martha's Vineyard land bank is seeking seasonal laborers for its summer 2024 trail crew. The position will run from May to September, although start/end dates are flexible. Seasonal staff is expected to assist in mowing and clearing trails, tree work, construction projects and other tasks that arise throughout the season. Must be comfortable working outside in all weather conditions and be able to begin the workday in the early morning. Experience with outdoor power equipment, chainsaws, and trailering is preferred, but on-the-job training is available to candidates who are willing to learn.

Seasonal housing may be available. If you would require housing, please make note of it in your application.

Please apply through the portal on the land bank website.
